

Greetings Veteran Artists,

SDAG (San Dieguito Art Guild) is offering San Diego veterans who are artists an opportunity to show and sell their work at our Gallery during the month of October 2019 with September 24 as our first Vet Art Take In. Veteran Artists who enter the show are encouraged to come to the October 5th veteran artist's reception. This is a great opportunity to meet and network with other artists and the local community.

The Guild is putting together a committee to discuss parameters for this special occasion and need to know how many veteran artists are interested and would participate.

For planning purposes we need a count of Veteran Artists so please have registration submitted by Saturday the 25th May.
