Dear Matthew:

I hereby resign as **Second Vice Commander** from AL Post 416. I wish you and the rest of the post the best in the years to come. However, after much consideration and counsel with my family. My priorities have shifted for 2019. I must make the most of my limited time and balance that between work and my responsibilities as CCCA President.

I am grateful for the opportunity to serve amongst such patriotic veterans and will continue to support this worthy organization as a paid-up for life member. I hope you understand my decision and are able to find a more invested post member to fulfill the position.

Sincerely,

Joe Zemlin

Second Vice Commander

American Legion Post 416
